

Bethany C. Bray
Curriculum Vitae

Center for Dissemination and Implementation Science
Department of Medicine, College of Medicine
The University of Illinois at Chicago
Room 627, SRH Building, M/C 579
818 South Wolcott Avenue
Chicago, IL 60612

Office: 312-996-9848
Email: bcbRAY@uic.edu
Website: bcbRAY.com
Website: go.uic.edu/cdis

Current Positions

Apr 2019-Present	Associate Director for Scientific Outreach, Center for Dissemination and Implementation Science, The University of Illinois at Chicago
Apr 2019-Present	Associate Professor (Visiting), Department of Medicine, College of Medicine, The University of Illinois at Chicago

Education

2007	Ph.D.	Human Development and Family Studies, Penn State
2006	M.A.S.	Applied Statistics, Penn State
2005	M.S.	Human Development and Family Studies, Penn State
2000	B.S.	Mathematics and Applied Statistics, The University of Michigan, Dearborn

Honors and Awards

2016	National Center for Responsible Gaming 17 th Annual Conference Poster Session Honorable Mention
2015	University of Nebraska – Lincoln, Methodology, Analytics, & Psychometrics (MAP) Academy Emerging Scholar, Inaugural Recipient
2012	Virginia Tech AdvanceVT Mentoring Micro-Grant Award (\$1,500)
2008-2010	NIH Loan Repayment Program Award: <i>Drug use and comorbid problem behaviors</i> (L30-DA-025349)
2008	National Council on Problem Gambling Outstanding Dissertation Award
2006-2007	Society for Prevention Research Early Career Travel Awards
2005-2007	Prevention and Methodology Training Program Pre-Doctoral Research Fellowship (T32-DA-017629)

Past Positions

2016-2019	Associate Director & Associate Research Professor, The Methodology Center, College of Health and Human Development, Penn State
2015-2019	Associate Training Director, Prevention and Methodology Training Program (PAMT), The Methodology Center and Edna Bennett Pierce Prevention Research Center, College of Health and Human Development, Penn State
2014-2016	Outreach Director & Assistant Research Professor, The Methodology Center, College of Health and Human Development, Penn State
2013-2014	Research Associate, The Methodology Center, College of Health and Human Development, Penn State
2012-2013	Visiting Faculty, The Methodology Center, College of Health and Human Development, Penn State
2009-2013	Assistant Professor, Department of Psychology, College of Science, Virginia Tech
2007-2009	Assistant Director & Research Associate, The Methodology Center, College of Health and Human Development, Penn State

Research Support

Active Support – National Institutes of Health

Project POINT: Effectiveness and scalability of an overdose survivor intervention	R33 DA045850	NIH/NIDA	McGuire, Watson (PIs)	01/09/2020-31/08/2021
Role: Co-Investigator				
Clinical and translational science award	UL1 TR002003	NIH/NCATS	Mermelstein, Novak (PIs)	01/08/2020-31/05/2025
Role: Co-Investigator				
Predicting longitudinal patterns of change in adolescent polytobacco use: A socioecological framework	R21 DA051628	NIH/NIDA	Blank, Metzger (PIs)	01/08/2020-31/07/2022
Role: Subcontract PI				
Understanding for whom family-based substance use prevention programs work best: A person-centered approach	F31 DA048522	NIH/NIDA	LoBraico (PI)	01/08/2019-31/07/2021
Role: Co-Sponsor				
Young men of color who have sex with men cohort study / Using longitudinal research to engage African American and Latinx sexual- and gender-minority youth in the HIV prevention and care continua and reduce HIV/AIDS-related disparities	U01 DA036926	NIH/NIDA	Kipke (PI)	01/11/2017-30/06/2025
Role: Subcontract PI				
Center for complex data to knowledge in drug abuse and HIV behavioral science	P50 DA039839	NIH/NIDA	Collins (PI)	01/09/2015-31/07/2021
Role: Core Director, Scientific Project Co-Investigator				
Drug abuse and HIV prevention research methodology conferences	R13 DA020334	NIH/NIDA	Bray (PI)	01/01/2013-31/05/2021
Role: PI (01/10/2017-31/05/2021); Co-Investigator (01/01/2013-30/09/2017)				

Active Support – Other

None at this time

Past Support – National Institutes of Health

Dynamic links between risk factors, substance use, and consequences: Ages 18-35	R01 DA037902	NIH/NIDA	Patrick (PI)	01/04/2015-31/12/2019
Role: Subcontract PI (01/09/2017-31/12/2019); Co-Investigator (01/04/2015-31/08/2017)				
Identifying sources of neurocognitive heterogeneity in ADHD and anxiety	R56 MH084947	NIH/NIMH	Huang-Pollock (PI)	01/12/2017-01/04/2019
Role: Co-Investigator				
Prevention and methodology training (PAMT)	T32 DA017629	NIH/NIDA	Collins, Greenberg (PIs)	01/01/2015-01/04/2019
Role: Co-Investigator				
Center for prevention and treatment methodology	P50 DA10075	NIH/NIDA	Collins (PI)	01/08/2012-31/08/2016
Role: Co-Investigator				
Relating brain maturation to impulse control and substance use development	R01 DA0339997	NIH/NIDA	Acheson, Dougherty (PIs)	15/06/2012-31/08/2014
Role: Subcontract PI				
Consequences of adolescent substance use on the development of impulse control	R01 DA026868	NIH/NIDA	Dougherty (PI)	15/05/2010-31/08/2014
Role: Subcontract PI				

Past Support – Other

- 2015 Indiana SPF PFS (Strategic Prevention Framework Partnerships for Success)
 U79 SP020788 SAMHSA Watson (PI) 01/01/2020-30/06/2020
 Role: Co-Investigator
 Full list of funding sources: Indiana Family and Social Services Agency, Indiana Division of Mental Health and Addiction and the Center for Substance Abuse Prevention, Substance Abuse and Mental Health Services Administration
- Team drinking norms and student-athletes' alcohol use: A longitudinal investigation of the directionality and moderators on this association
 Graduate Student Research Grant Graupensperger (PI) 01/08/2018-31/07/2019
 North American Society for the Psychology of Sport and Physical Activity
 Role: Co-Sponsor
- Bolsa Estágio de Pesquisa no Exterior
 Scholarship FAPESP Higuchi (PI) 03/04/2017-02/10/2017
 Role: Training Sponsor
- Economic and Social Research Council overseas institutional visits scheme
 Training Award ESRC-UCL Mawditt (PI) 01/05/2016-31/07/2016
 Role: Training Sponsor
- Consequences of gambling and polysubstance use behavior patterns
 Seed Grant NCRG Bray (PI) 01/06/2015-31/12/2016
 Total Costs: \$30,000
- Alcohol use and gambling in college: Examining unique aspects, shared aspects, and event-level co-occurrence of behaviors
 Grant Program ABMRF Bray (PI) 01/06/2008-31/08/2012
 Total Costs: \$100,000
- Unique and shared aspects of alcohol use and gambling in college: A pilot study to inform behavior assessment
 Level 1 Funding CYFC/SSRI Bray (PI) 01/03/2008-31/08/2008
 Total Costs: \$1,500
- Understanding the comorbidity between gambling and substance use through the development and application of latent class methodologies
 The Methodology Center Bray (PI) 01/09/2007-31/08/2008
 Total Costs: \$17,610

Publications

** Denotes paper on which role was solely to provide latent class modeling expertise

* Denotes graduate student, or post-doctoral or other fellow

Peer-Reviewed Papers

Presentations

- *** Denotes invited presentation
 ** Denotes organized symposium
 * Denotes graduate student, or post-doctoral or other fellow

Presented Internationally

- Kubicek, K., Bolton, A., **Bray, B. C.**, Wu, S., & Kipke, M. D. (2020, November). Consistent and inconsistent use of PrEP among young men who have sex with men: A mixed methods study. Poster presented at the 15th International Conference on HIV Treatment and Prevention Adherence, Orlando, FL.
- Kubicek, K., Bolton, A., **Bray, B. C.**, Wu, S., & Kipke, M. D. (2020, July). A mixed methods study to examine discontinuation of PrEP among young men of color who have sex with men (YMSM). Poster presented at the 23rd International AIDS Conference, virtual: www.aids2020.org.
- Surachman*, A., **Bray, B. C.**, Alexander, L. M., Coe, C. L., & Almeida, D. M. (2019, April). *Latent classes of chronic kidney disease risk factors among adults in the Midlife in the United States (MIDUS) study: Socioeconomic covariates and association with eGFR*. Poster presented at the International Society of Nephrology World Congress of Nephrology, Melbourne, Australia.
- Higuchi*, C. H., Cogo-Moreira, H., Ortiz, B., Correll, C., Noto, C., Okuda, P., ..., Gadelha, A. (2019, April). *Exploring new approaches to parse the clinical heterogeneity in schizophrenia by structure equation modeling*. Paper presented at the 2019 Congress of the Schizophrenia International Research Society, Orlando, FL.
- Koutoumanou, E. Batterham, M., & **Bray, B. C.** (2018, July). *Statistics education in the workplace*. Panel discussion presented at the 10th International Conference on Teaching Statistics, Kyoto, Japan.
- Hung*, Y. W., **Bray, B. C.**, & Maggs, J. L. (2018, March). *Understanding childhood risk factors for patterns of distress, alcohol use, and smoking in adulthood*. Paper presented at the NCDS 60 Years of Our Lives Conference, Centre for Longitudinal Studies, London, England.
- *****Bray, B. C.** (2017, November). *The Methodology Center at Penn State & our ongoing mixture modeling research*. Brown bag seminar presented at the Methodology & Statistics Unit, Institute of Psychology, Leiden University, Leiden, Netherlands.
- Fitzpatrick, S. L., Brooks, N., **Bray, B. C.**, Stevens, V. J. (2017, June). *Non-adherence to behavioral recommendations is associated with suboptimal psychological well-being among African Americans*. Poster presented at the 8th International Conference on Health Psychology, Havana, Cuba.
- Bray, B. C.** (2016, October). *An introduction to latent class analysis for prevention research: Identifying high-risk subgroups in the population*. Workshop presented at the European Society for Prevention Research 7th Annual Conference and Members' Meeting, Berlin, Germany.
- *****Bray, B. C.** (2016, May). *My experience as a woman in mathematics and statistics*. Discussion presented at the Women in Mathematics Day: Ireland at the Mathematics Applications Consortium for Science and Industry, University of Limerick, Limerick, Ireland.
- *****Bray, B. C.** (2016, May). *Cutting-edge advances in latent class analysis for today's behavioral scientists*. Keynote paper presented at the Irish Statistical Association's 36th Conference on

- Applied Statistics in Ireland at the Department of Mathematics and Statistics, University of Limerick, Limerick, Ireland.
- *****Bray, B. C.** (2016, May). *Latent class analysis for uncovering hidden population subgroups*. Workshop presented at the Irish Statistical Association's 36th Conference on Applied Statistics in Ireland at the Department of Mathematics and Statistics, University of Limerick, Limerick, Ireland.
- *****Bray, B. C.** (2014, November). *Latent profile analysis: A step-by-step primer*. Workshop presented for the Leadership Seminar Series at the Business School of Durham University, Durham, England.
- *****Bray, B. C.**, & Foti, R. J. (2014, November). *A brief introduction to latent profile analysis in leadership research*. Paper presented for the Leadership Seminar Series at the Business School of Durham University, Durham, England.
- *****Bray, B. C.** (2014, July). *A practical guide to causal inference with propensity scores*. Workshop presented at the School of Public Health, Xi'an Jiaotong University, Xi'an, China.
- *****Bray, B. C.** (2014, July). *An introduction to latent class analysis*. Workshop presented at the School of Public Health, Xi'an Jiaotong University, Xi'an, China.
- *****Bray, B. C.** (2014, July). *A practical guide to causal inference with propensity scores*. Workshop presented at the School of Psychology, South China Normal University, Guangzhou, China.
- *****Bray, B. C.** (2014, July). *An introduction to latent class analysis*. Workshop presented at the School of Psychology, South China Normal University, Guangzhou, China.
- *****Bray, B. C.** (2014, June). *An introduction to latent class and latent transition analysis*. Workshop presented at the Guanghua School of Management, Center for Statistical Science and School of Mathematical Sciences, Peking University, Beijing, China.
- ***Lanza, S. T., & **Bray, B. C.** (2014, May). *Integrating propensity scores with latent class analysis to identify determinants of class membership*. Paper presented at the Statistics and Causality Conference, Vienna, Austria.
- ***Collins, L. M., Lanza, S. T., & **Bray, B. C.** (2008, September). *Masterclass: Latent class analysis for cross-sectional and longitudinal data*. Department of Mathematics and Statistics Postgraduate Statistics Centre of Lancaster University and the Economic and Social Research Council National Centre for Research Methods: Lancaster, England.
- ***Collins, L. M., Lanza, S. T., & **Bray, B. C.** (2007, February). *ZA spring seminar, topics in advanced categorical data analysis (CDA): Latent class analysis for cross-sectional and longitudinal data*. The University of Cologne: Cologne, Germany.
- Bray, B. C.** (2004, June). *Spatial distribution of poverty in Michigan counties, 1990 Census data*. Poster presented at the 7th International Summer Institute on Developmental Science, Jyväskylä, Finland.

Presented Nationally

- (under review) Layland*, E. K., Smith, J. C., Soulliard*, Z. A., Kipke, M. D., & **Bray, B. C.** (2021, November). *Body image concerns, correlates, and community connectedness among Black and Latino sexual minority men and trans/gender non-conforming people*. Paper presented at the Association for Behavioral and Cognitive Therapies Annual Convention, New Orleans, LA.
- *****Bray, B. C.**, & Lanza, S. T. (2021, July). *Latent class, latent profile, and latent transition analysis*. Workshop presented for Inter-University Consortium for Political and Social Research (ICPSR) Summer Program in Quantitative Methods of Social Research, Virtual.
- (under review) **Bray, B. C.**, Dziak, J. J., & Lanza, S. T. (2021, June). *Latent class analysis with time-varying covariate effects: A simulation study and empirical example of LCA-TVEM*. Paper presented at the Western North American Region of the International Biometric Society Annual Meeting, Virtual.
- ***Lanza, S. T., & **Bray, B. C.** (2021, June). *Latent class analysis*. Workshop presented for Statistical Horizons, Virtual.

- (under review) **Herman, K. C., & **Bray, B. C.** (2021, June). *Advances in analyzing categorical data*. Paper symposium presented at the Society for Prevention Research 29th Annual Meeting: "Addressing Racism and Disparities when Considering Biology and Context," Virtual.
- (under review) Vasilenko, S. A., Smith*, C. S., Joseph*, T. M., & **Bray, B. C.** (2021, June). *Profiles of adolescent social-ecological factors and young adult sexual behavior: Differences by race/ethnicity*. Poster presented at the Society for Prevention Research 29th Annual Meeting: "Addressing Racism and Disparities when Considering Biology and Context," Virtual.
- Layland*, E. K., Maggs, J. L., Kipke, M. D., & **Bray, B. C.** (2021, May). *A quantitative approach to intersectional health research: Structural inequalities and health disparities among latent subgroups of Black and Latino sexual minority men*. Poster presented at the National LGBTQ Health Conference: "Bridging Research & Practice," Virtual.
- Vasilenko, S. A., Smith*, C. S., & **Bray, B. C.** (2021, April). *Multidimensional profiles of adolescent social-ecological risk and protective factors and young adult sexual behavior*. Paper presented at the 2021 Biennial Meeting of the Society for Research in Child Development, Virtual.
- ***Lanza, S. T., & **Bray, B. C.** (2020, December). *Latent class analysis*. Workshop presented for Statistical Horizons, Virtual.
- Layland*, E. K., **Bray, B. C.**, & Kipke, M. D. (2020, October). *Sexual racism and body image concerns over time among Black and Latino sexual minority men*. Poster waitlisted at the American Public Health Association Annual Meeting, San Francisco, CA.
- Van Doren*, N., Linden-Carmichael, A. N., **Bray, B. C.**, Lanza, S. T. (2020, June). *Examining daily patterns of substance use in young adults and their relation to daily stress and negative affect: An application of latent class analysis to daily diary data*. Poster presented at the Modern Modeling Methods (M3) Conference, Storrs, CT. [conference cancelled due to COVID-19]
- ****Bray, B. C.**, & Marsiglia, F. F. (2020, May). *Increasing health equity for diverse populations: Place-based etiology, intervention, and implementation*. Paper symposium presented at the Society for Prevention Research 28th Annual Meeting: "Why Context Matters: Towards a Place-Based Prevention Science," Washington, DC. [parts of conference cancelled due to COVID-19]
- LoBraico*, E. J., Fosco, G. M., **Bray, B. C.**, & Feinberg, M. (2020, May). *Patterns of engagement in the Strengthening Families Program: For Parents and Youth Ages 10-14*. Paper presented at the Society for Prevention Research 28th Annual Meeting: "Why Context Matters: Towards a Place-Based Prevention Science," Washington, DC. [parts of conference cancelled due to COVID-19]
- Layland*, E. K., **Bray, B. C.**, & Kipke, M. D. (2020, April). *Experiences and health correlates of discrimination are not universal: Stress, racism, and homonegativity as determinants of drug use among diverse sexual minority men*. Paper presentation at the Society for Behavioral Medicine Annual Meeting, San Francisco, CA. [conference cancelled due to COVID-19]
- Perzow*, S. E. D., **Bray, B. C.**, Wadsworth, M. E., & Hankin, B. L. (2020, March). *Individual differences in adolescent coping across contexts*. Paper presentation at the Society for Research on Adolescence Annual Meeting, San Diego, CA. [conference cancelled due to COVID-19]
- Xia*, M., Fosco, G. M., & **Bray, B. C.** (2020, March). *Triadic family relationship dynamics and adolescent well-being*. Paper presentation at the Society for Research on Adolescence Annual Meeting, San Diego, CA. [conference cancelled due to COVID-19]
- ***Lanza, S. T., & **Bray, B. C.** (2019, December). *Latent class analysis*. Workshop presented for Statistical Horizons, Philadelphia, PA.
- *****Bray, B. C.** (2019, November). *Latent class analysis*. Workshop presented at the Institute for Translational Research in Children's Mental Health, University of Minnesota, Minneapolis, MN.
- *****Bray, B. C.** (2019, November). *Advancing intervention science and promoting health equity using innovative quantitative methods*. Paper presented at the Institute for Translational Research in Children's Mental Health, University of Minnesota, Minneapolis, MN.
- *****Bray, B. C.** (2019, November). *Innovative design and analysis tools for optimizing behavioral interventions: Understanding heterogeneity to achieve health equity*. Paper presented at the American Heart Association Scientific Sessions 2019, Philadelphia, PA.
- Layland*, E. K., Kipke, M. D., **Bray, B. C.**, & Kubicek, K. (2019, May). *Unpacking the effects of stress and discrimination on substance use: Similarities and differences among Latino, Black, and*

- Multi-Racial/Ethnic young men who have sex with men.* Poster presented at the 2019 National LGBTQ Health Conference: "Bridging Research and Practice," Atlanta, GA.
- Bray, B. C.,** Dziak, J. J., & Lanza, S. T. (2019, May). *Combining latent class analysis with time-varying effect modeling: Understanding the epidemiology of alcohol use.* Paper presented at the Society for Prevention Research 27th Annual Meeting: "Prevention Science in a Big Data World," San Francisco, CA.
- **Bray, B. C.,** & Witkiewitz, K. (2019, May). *Applying latent class models in prevention science: Practical solutions to everyday problems.* Organized paper symposium presented at the Society for Prevention Research 27th Annual Meeting: "Prevention Science in a Big Data World," San Francisco, CA.
- Dziak, J. J., & **Bray, B. C.** (2019, May). *Multiple imputation of missing covariate information in latent class analysis: Evaluation of a step-by-step approach.* Paper presented at the Society for Prevention Research 27th Annual Meeting: "Prevention Science in a Big Data World," San Francisco, CA.
- Layland*, E. K., **Bray, B. C.,** Kubicek, K., Bhandari, S., & Kipke, M. D. (2019, May). *Drug use patterns among young men of color who have sex with men.* Poster presented at the Society for Prevention Research 27th Annual Meeting: "Prevention Science in a Big Data World," San Francisco, CA.
- LoBraico*, E. J., **Bray, B. C.,** Fosco, G. M., & Feinberg, M. (2019, May). *Constellations of family risk and long-term adolescent antisocial behavior: A latent profile analysis.* Paper presented at the Society for Prevention Research 27th Annual Meeting: "Prevention Science in a Big Data World," San Francisco, CA.
- Xia*, M., **Bray, B. C.,** & Fosco, G. M. (2019, May). *Using multilevel latent profile analysis for daily diary data: Understanding the dynamics of mother-father-adolescent triadic relationships.* Paper presented at the Society for Prevention Research 27th Annual Meeting: "Prevention Science in a Big Data World," San Francisco, CA.
- Van Doren*, N., Layland*, E. K., & **Bray, B. C.** (2019, May). *Coping with racial discrimination: Person-centered coping profiles moderate the association between daily discrimination and depressive and anxious symptoms in African Americans.* Poster presented at the Association for Psychological Science 31st Annual Convention, Washington, DC.
- Weymouth*, B. B., Fosco, G. M., **Bray, B. C.,** & Feinberg, M. E. (2019, March). *Sequence of co-occurring social anxiety and antisocial behavior during early adolescence: A latent transition analysis.* Poster presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.
- Xia*, M., Fosco, G. M., & **Bray, B. C.** (2019, March). *Profiles of family relationship dynamics: Associations with adolescent flourishing.* Paper presented at the 2019 Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.
- Surachman*, A., **Bray, B. C.,** Gruenewald, T. L., & Almeida, D. M. (2018, November). *Rags to rags, riches to riches: Socioeconomic mobility and psychobiological mediators of SES-health association.* Paper presented at the Gerontological Society of America Annual Scientific Meeting, Boston, MA.
- Rivera*, P. M., **Bray, B. C.,** Kugler, K. C., Guastaferrero, K., & Noll, J. G. (2018, November). *Linking patterns of substance use with sexual risk-taking among female adolescents with and without histories of maltreatment.* Poster presented at the annual meeting of the American Association for Marriage and Family Therapy, Louisville, KY.
- ***Bray, B. C.** (2018, September). *An introduction to latent class and latent profile analysis.* Workshop presented at the Department of Family Studies and Human Development, The University of Arizona, Tuscon, AZ.
- ***Bray, B. C.** (2018, September). *Increasing health equity using innovative design and analysis tools from The Methodology Center at Penn State.* Paper presented at the Minority Affairs Workshop, American College of Epidemiology, Cincinnati, OH.

- Bray, B. C.**, Dziak, J. J., Patrick, M. E., & Lanza, S. T. (2018, June). *Causal analysis with latent class exposures using inverse propensity scores and BCH adjustment*. Poster presented at the 7th Annual Thomas R. Ten Have Symposium on Statistics in Mental Health, Chicago, IL.
- Bray, B. C.**, & Liu, M. (2018, June). *Discussion of "mediation analysis with censored time-to-event mediator"*. Paper presented at the 7th Annual Thomas R. Ten Have Symposium on Statistics in Mental Health, Chicago, IL.
- Chilenski, S. M., Prado, G., Etz, K., **Bray, B. C.**, Knapp, A. A. (2018, May). *Hot off the press! SPR training needs assessment findings: Dissemination and discussion around the reported training needs of SPR members*. Roundtable panel discussion presented at the Society for Prevention Research 26th Annual Meeting: "Optimizing the Relevance of Prevention Science to Systems," Washington, DC.
- LoBraico*, E. J., **Bray, B. C.**, Fosco, G. M., Feinberg, M., Spoth, R., & Redmond, C. (2018, May). *Profiles of risk among enrollees in the Strengthening Families Program: For Parents and Youth Ages 10-14*. Poster presented at the Society for Prevention Research 26th Annual Meeting: "Optimizing the Relevance of Prevention Science to Systems," Washington, DC.
- Xia*, M., Weymouth*, B. B., **Bray, B. C.**, Lippod, M. A., Feinberg, M. E., & Fosco, G. M. (2018, May). *Exploring influence of triadic family relationship profiles on adolescents' early substance initiation*. Poster presented at the Society for Prevention Research 26th Annual Meeting: "Optimizing the Relevance of Prevention Science to Systems," Washington, DC.
- Xia*, M., Fosco, G. M., & **Bray, B. C.** (2018, April). *Triadic dance on a daily basis: Profiles of mother-father-adolescent triadic relationship forms and dynamics*. Poster presentation at the Society for Research on Adolescence Biennial Meeting, Minneapolis, MN.
- Weymouth*, B. B., Fosco, G.M., **Bray, B. C.**, & Feinberg, M. E. (2018, April). *A latent profile analysis of co-occurring social anxiety and antisocial behavior: Implications for youth substance use initiation*. Poster presentation at the Society for Research on Adolescence Biennial Meeting, Minneapolis, MN.
- Surachman*, A., Gruenewald, T. L., **Bray, B. C.**, & Almeida, D. M. (2018, March). *Life course socioeconomic status and markers of inflammation in adulthood: A latent class analysis approach*. Paper presented at the American Psychosomatic Society 76th Annual Scientific Meeting, Louisville, KY.
- *****Bray, B. C.** (2018, February). *An introduction to latent class, latent profile, and latent transition analysis*. Workshop presented at the Educational Psychology, Measurement, and Evaluation Program, University of Louisville, Louisville, KY.
- Jacka*, B., **Bray, B. C.**, Applegate, T. L., Marshall, B. D. L., Lima, V. D., Hayashi, K., ..., Grebely, J. (2017, September). *Hepatitis C virus phylogenetic clustering and latent class analysis of drug use among people who use drugs in Vancouver, Canada*. Paper presented at the 6th International Symposium on Hepatitis Care in Substance Users, Jersey City, NJ.
- Terry-McElrath, Y. M., Patrick, M. E., Schulenberg, J. E., & **Bray, B. C.** (2017, June). *Patterns of high-intensity drinking from ages 18 to 25/26: A U.S. national young adult sample*. Poster presented at the Research Society on Alcoholism 40th Annual Scientific Meeting, Denver, CO.
- ****Bray, B. C.**, & White, H. R. (2017, May). *Understanding alcohol, marijuana and e-cigarette use during emerging adulthood: New contributions of person-centered approaches*. Organized paper symposium presented at the Society for Prevention Research 25th Annual Meeting: "Prevention and Public Systems of Care: Research, Policy and Practice," Washington, DC.
- Bray, B. C.**, Berglund, P. A., & Patrick, M. E. (2017, May). *Transitions in marijuana use and patterns of reasons for use during young adulthood*. Paper presented at the Society for Prevention Research 25th Annual Meeting: "Prevention and Public Systems of Care: Research, Policy and Practice," Washington, DC.
- Guastaferrero*, K. M., & **Bray, B. C.** (2017, May). *Examining patterns of childhood maltreatment history and adulthood mental health and substance use outcomes*. Poster presented at the Society for Prevention Research 25th Annual Meeting: "Prevention and Public Systems of Care: Research, Policy and Practice," Washington, DC.

- Maldonado-Molina, M. M., **Bray, B. C.**, Estrada, Y., & Prado, G. (2017, May). *Profiles of parental acculturation and stress and effects on family cohesion, communication and positive parenting among Hispanics*. Poster presented at the Society for Prevention Research 25th Annual Meeting: "Prevention and Public Systems of Care: Research, Policy and Practice," Washington, DC.
- Perzow*, S. E., **Bray, B. C.**, & Wadsworth, M. E. (2017, May). *Stress response profiles and behavioral functioning among low-income parents*. Paper presented at the Society for Prevention Research 25th Annual Meeting: "Prevention and Public Systems of Care: Research, Policy and Practice," Washington, DC.
- Rivera*, P. M., **Bray, B. C.**, Guastaferro*, K. M., & Fincham, F. D. (2017, May). *Linking childhood maltreatment to patterns of adolescent substance use*. Poster presented at the Society for Prevention Research 25th Annual Meeting: "Prevention and Public Systems of Care: Research, Policy and Practice," Washington, DC.
- *****Bray, B. C.** (2017, April). *An introduction to latent class, latent profile, and latent transition analysis*. Workshop presented at the College of Public Health and Human Sciences, Oregon State University, Corvallis, OR.
- *****Bray, B. C.** (2016, November). *Transitions in smokers' social networks after quit attempts and implications for cessation intervention: Results from a center-to-center collaboration*. Paper presented at the Division of Epidemiology, Prevention, and Services Research Seminar, National Institute on Drug Abuse, National Institutes of Health, Bethesda, MD.
- Tucker-Seeley, R. D., McKay*, A. S., Boulanger, V., & **Bray, B. C.** (2016, October). *Expanding our notion of neighborhood socioeconomic status: Mix of neighborhood retail/service types as an indicator of neighborhood socioeconomic context*. Paper presented at the Annual Meeting and Exposition of the American Public Health Association: "Creating the Healthiest Nation: Ensuring the Right to Health," Denver, CO.
- Bray, B. C.** (2016, September). *Gambling and polysubstance use behavior patterns: Using latent class analysis to examine the syndromal model of addiction*. Poster presented at the National Center for Responsible Gaming 17th Annual Conference on Gambling and Addiction, Las Vegas, NV. [Honorable Mention]
- **Baraldi, A. N., & **Bray, B. C.** (2016, June). *Three m's in prevention research: Mediation, multilevel modeling, and missing data*. Organized paper symposium presented at the Society for Prevention Research 24th Annual Meeting: "Using Prevention Science to Promote Health Equity and Improve Well-Being," San Francisco, CA.
- Bray, B. C.** (2016, June). *Gambling and polysubstance use behavior patterns: Using latent class analysis to examine the syndromal model of addiction*. Poster presented at the Society for Prevention Research 24th Annual Meeting: "Using Prevention Science to Promote Health Equity and Improve Well-Being," San Francisco, CA.
- Bray, B. C.**, Berglund, P. A., & Patrick, M. E. (2016, June). *Motivations for marijuana use among young adults in the U.S*. Poster presented at the Society for Prevention Research 24th Annual Meeting: "Using Prevention Science to Promote Health Equity and Improve Well-Being," San Francisco, CA.
- Willner*, C. J., Gatzke-Kopp, L. M., & **Bray, B. C.** (2016, March). *Electrophysiological indices of social threat processing biases in children with internalizing, externalizing, and comorbid symptoms*. Poster presented at the 2016 annual conference of the Society for Affective Science, Chicago, IL.
- ***Lanza, S. T., & **Bray, B. C.** (2016, January). *Latent class, latent profile, and latent transition analysis*. Workshop presented at the Latino Resilience Enterprise, T. Denny Sanford School of Social and Family Dynamics, Arizona State University, Tempe, AZ.
- Willner*, C. J., Gatzke-Kopp, L. M., & **Bray, B. C.** (2015, October). *Do automatic or controlled social threat processing biases predict children's internalizing and externalizing symptom profiles?* Poster presented at the 2015 Developmental Affective Neuroscience Symposium, Department of Psychiatry, University of Pittsburgh, Pittsburgh, PA.

- **Bray, B. C., & Hill, L. G.** (2015, May). *State-of-the-art approaches to latent class analysis with distal outcomes: Recommendations for today's prevention scientists*. Organized paper symposium presented at the Society for Prevention Research 23rd Annual Meeting: "Integrating Prevention Science and Public Policy," Washington, DC.
- Lanza, S. T., **Bray, B. C.**, & Dziak, J. J. (2015, May). *Comparing three approaches to latent class analysis with distal outcomes: A scientific summary*. Paper presented at the Society for Prevention Research 23rd Annual Meeting: "Integrating Prevention Science and Public Policy," Washington, DC.
- Zhang*, J., Dziak, J. J., **Bray, B. C.**, Lanza, S. T., & Zhang, M. (2015, May). *Extending latent class analysis with distal outcomes: Recommendations for adding control variables and moderators*. Paper presented at the Society for Prevention Research 23rd Annual Meeting: "Integrating Prevention Science and Public Policy," Washington, DC.
- Bray, B. C.**, Lanza, S. T., & Coffman, D. L. (2015, May). *Estimating causal effects with latent class variables: Exposures and outcomes*. Paper presented at the Society for Prevention Research 23rd Annual Meeting: "Integrating Prevention Science and Public Policy," Washington, DC.
- Fosco, G. M., **Bray, B. C.**, & Grych, J. H. (2015, May). *A latent profile analysis of adolescents' appraisals and triangulation into parental conflicts: Different outcomes for different profiles*. Poster presented at the Association for Psychological Science 27th Annual Convention, New York, NY.
- ***Bray, B. C.** (2015, April). *The good, the bad, and the ugly: What we know today about latent class analysis with distal outcomes*. Paper presented at the Methodology, Analytics, & Psychometrics (MAP) Academy Emerging Scholar Series, University of Nebraska – Lincoln, Lincoln, NE.
- ***Bray, B. C.** (2015, April). *An introduction to latent class and latent profile analysis: A statistics tutorial in two parts*. Workshop presented at the Methodology, Analytics, & Psychometrics (MAP) Academy Emerging Scholar Series, University of Nebraska – Lincoln, Lincoln, NE.
- ***Bray, B. C.** (2014, August). *An introduction to latent class and latent transition analysis*. Workshop presented at the Center for Behavioral Research and Services, California State University Long Beach, Long Beach, CA.
- ***Bray, B. C.** (2014, May). *Introduction to latent class and latent profile analysis*. Workshop presented at the Learning and Performance Research Center, Department of Educational Leadership, Sports Studies, Educational and Counseling Psychology, Washington State University, Pullman, WA.
- Foti, R. J., Coyle*, P. T., & **Bray, B. C.** (2014, May). *Differentiating perceptions of leaders and followers using ILTs and IFTs*. Poster presented at the Society for Industrial/Organizational Psychology 29th Annual Conference, Honolulu, HI.
- Halliburton*, A., & **Bray, B. C.** (2013, November). *Long-term trends in U.S. adolescent inhalant use: Prevalence rates, influences of drug policy, and comparisons to other substances*. Poster presented at the Association for Cognitive and Behavioral Therapies 47th Annual Convention: "Harnessing Synergy among Multidisciplinary Sciences," Nashville, TN.
- ***Bray, B. C.**, Lanza, S. T., & Coffman, D. L. (2013, October). *The causal effect of substance use latent class membership on a distal outcome*. Paper presented at the 10th International Conference on Health Policy Statistics, Chicago, IL.
- ***Coffman, D. L., Bray, B. C., & Lanza, S. T.** (2013, October). *Estimating the causal effect of a latent class treatment on binary and count outcomes*. Paper presented at the 10th International Conference on Health Policy Statistics, Chicago, IL.
- ***Bray, B. C., & Neighbors, C. N.** (2013, September). *Trends in research methodology: A workshop for early-stage investigators*. Pre-conference workshop presented at the 14th Annual National Center for Responsible Gaming Conference on Gambling and Addiction, Las Vegas, NV.
- ***Lanza, S. T., & Bray, B. C.** (2013, June). *Summer Institute on Innovative Methods: An introduction to latent class and latent transition analysis*. Workshop presented at Penn State, University Park, PA.
- ***Bray, B. C.** (2013, June). *An introduction to latent class and latent transition analysis*. Workshop presented at Brigham Young University, Provo, UT.

- **Bray, B. C., & MacKinnon, D. P.** (2013, May). *Estimating the causal effect of a latent class treatment on distal behavioral and health outcomes*. Organized paper symposium presented at the Society for Prevention Research 21st Annual Meeting: "The Science of Prevention: Building a Comprehensive National Strategy for Well-Being," San Francisco, CA.
- Lanza, S. T., **Bray, B. C., & Coffman, D. L.** (2013, May). *The causal effect of substance use latent class membership on a distal outcome*. Paper presented at the Society for Prevention Research 21st Annual Meeting: "The Science of Prevention: Building a Comprehensive National Strategy for Well-Being," San Francisco, CA.
- Coffman, D. L., **Bray, B. C.,** Lanza, S. T., & Dierker, L. C. (2013, May). *Estimating the causal effect of a latent class treatment on binary and count outcomes*. Paper presented at the Society for Prevention Research 21st Annual Meeting: "The Science of Prevention: Building a Comprehensive National Strategy for Well-Being," San Francisco, CA.
- **Bray, B. C., & Novak, S. P.** (2013, May). *Inhalant use as a critical, understudied substance from late childhood to adulthood: Implications and opportunities for prevention scientists*. Organized paper symposium presented at the Society for Prevention Research 21st Annual Meeting: "The Science of Prevention: Building a Comprehensive National Strategy for Well-Being," San Francisco, CA.
- Halliburton*, A., **Bray, B. C., & Ridenour, T. A.** (2013, May). *Testing the validity of the anticipated DSM-5 inhalant use disorder diagnosis: An item response theory analysis*. Paper presented at the Society for Prevention Research 21st Annual Meeting: "The Science of Prevention: Building a Comprehensive National Strategy for Well-Being," San Francisco, CA.
- Butera*, N. M., **Bray, B. C., & Lanza, S. T.** (2013, May). *Consequences of adolescent substance use latent class membership: Associations with young adult distal outcomes*. Poster presented at the Society for Prevention Research 21st Annual Meeting: "The Science of Prevention: Building a Comprehensive National Strategy for Well-Being," San Francisco, CA.
- ***Bray, B. C.** (2013, May). *An introduction to latent profile analysis*. Workshop presented for the Department of Human Development and Family Studies, The Pennsylvania State University, University Park, PA.
- Schry*, A. R., Lorenzi, J.*, Maddox*, B. B., Neal*, A., & **Bray, B. C.** (2012, November). *Predictors of rape acknowledgment in college women*. Poster presented at the 46th Annual Convention of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- ***Lanza, S. T., & Bray, B. C.** (2012, October). *Latent class analysis*. Workshop presented for Methods Work, Silver Spring, MD.
- Sheftall*, A. H., Crum, P., Mathias, C. W., **Bray, B. C., & Dougherty, D. M.** (2012, June). *Adolescent substance use, stressful life events, and impulsivity*. Poster presented at the 35th Annual Meeting of the Research Society on Alcoholism, San Francisco, CA. Abstract published in *Alcoholism: Clinical and experimental research*, 36(Supplement s1), 397a.
- Sheftall*, A. H., Mathias, C. W., **Bray, B. C.,** Farris, S. J., Crum, P. M., Kuckertz, J. M., ... Dougherty, D. M. (2012, February). *Adolescent substance use, stressful life events, and impulsivity*. Poster presented at the 22nd Annual Meeting of the Texas Research Society on Alcoholism, College Station, TX.
- Wiersma, J. D., Fischer, J. L., **Bray, B. C., & Clifton, J. P.** (November, 2011). *Young adult drinking partnerships: Where are couples 6 years later?* Poster presented at the 73rd Annual Conference of the National Council on Family Relations: "Families and the Shifting Economy," Orlando, FL.
- McGinley*, J. J., **Bray, B. C.,** Morgan, N. R., Small, M. L., & Maggs, J. L. (2011, August). *Examining the relation between card playing and personality*. Poster presented at the 119th Annual Convention of the American Psychological Association, Washington, DC.
- **Bray, B. C.** (2011, June). *Communicating prevention research to non-academic audiences: Working effectively with the government and media*. Organized paper symposium presented at the 19th Annual Conference of the Society for Prevention Research: "Prevention Scientists Promoting Global Health: Emerging Visions for Today and Tomorrow," Washington, DC.

- **Bray, B. C.** (2011, June). *Innovations in latent class analysis: New approaches to address classic questions*. Organized paper symposium presented at the 19th Annual Conference of the Society for Prevention Research: "Prevention Scientists Promoting Global Health: Emerging Visions for Today and Tomorrow," Washington, DC.
- Bray, B. C.,** Lanza, S. T., & Tan, X. (2011, June). *Classify-analyze approaches in latent class analysis: The importance of inclusive modeling*. Paper presented at the 19th Annual Conference of the Society for Prevention Research: "Prevention Scientists Promoting Global Health: Emerging Visions for Today and Tomorrow," Washington, DC.
- Tan, X., Lanza, S. T., & **Bray, B. C.** (2011, June). *Latent class analysis with distal outcomes: A model-based approach*. Paper presented at the 19th Annual Conference of the Society for Prevention Research: "Prevention Scientists Promoting Global Health: Emerging Visions for Today and Tomorrow," Washington, DC.
- **Bray, B. C.,** & Lanza, S. T. (2011, May). *Advances in finite mixture modeling, causal mediation, and functional data analysis: Recent developments from The Methodology Center at Penn State*. Organized paper symposium presented at the annual meeting of the Modern Modeling Methods Conference, Storrs, CT.
- Bray, B. C.,** Lanza, S. T., & Tan, X. (2011, May). *A new approach for expanded latent class models*. Paper presented at the Modern Modeling Methods Conference, Storrs, CT.
- Etz, K., & Moser, R. (2010, June). *Everything you ever wanted to know about secondary data analysis, but were afraid to ask*. Preconference workshop presented at the 18th Annual Conference of the Society for Prevention Research: "Cells to Society: Prevention at All Levels," Denver, CO. Presenters: Augustson, E., **Bray, B. C.,** Gelernter, J., Keyes, K., LeClere, F. B., Ridenour, T. A., Rutten, L. F., & Yaroch, A.
- **Bray, B. C.** (2010, June). *Understanding adolescent risk behaviors: The contribution of person-centered approaches*. Organized paper symposium presented at the 18th Annual Meeting of the Society for Prevention Research: "Cells to Society: Prevention at All Levels," Denver, CO.
- **Bray, B. C.** (2010, June). *Promoting positive program outcomes through the application of latent variable methods*. Organized paper symposium presented at the 18th Annual Meeting of the Society for Prevention Research: "Cells to Society: Prevention at All Levels," Denver, CO.
- Bray, B. C.,** Morgan, N. R., Small, M. L., & Maggs, J. L. (2009, November). *Identifying patterns of motivations to gamble among college students using latent class analysis*. Poster presented at the 10th Annual Conference of the National Center for Responsible Gaming: "Money, Money, Money: Current Issues Affecting Research, Recovery and Responsible Gaming," Las Vegas, NV.
- Tisminetzky*, M., **Bray, B. C.,** Miozzo, R., Aupont, O., & McLaughlin, T. J. (2009, November). *Profiling symptoms of depression and anxiety in patients with an acute coronary syndrome using latent class and latent transition analysis*. Paper presented at the American Heart Association Annual Scientific Sessions, Orlando, FL.
- Wiersma*, J. D., **Bray, B. C.,** & Fischer, J. L. (2009, October). *Identifying types of young adult drinking partnerships by relationship status using latent class analysis*. Poster presented at the 4th Conference on Emerging Adulthood, Atlanta, GA.
- ***Collins, L. M.,** Lanza, S. T., & **Bray, B. C.** (2009, June). *Summer Institute on Longitudinal Methods: Latent class and latent transition analysis*. The Methodology Center at the Pennsylvania State University: University Park, PA.
- Bray, B. C.,** Morgan, N. R., Small, M. L., & Maggs, J. L. (2009, June). *Using latent class models to identify shared patterns of motivations to use alcohol and to gamble among college students*. Poster presented at the 32nd Annual Meeting of the Research Society on Alcoholism, San Diego, CA.
- Tisminetzky*, M., **Bray, B. C.,** Miozzo, R., & McLaughlin, T. J. (2009, June). *Examining the effects of treatment and patient characteristics on patient profiles of depression, anxiety and functionality after an acute coronary syndrome*. Paper presented at the 42nd Annual Meeting of the Society

- for Epidemiological Research: "Epidemiologists as Vectors for Transmitting Health," Anaheim, CA.
- Bray, B. C.**, Morgan, N. R., Small, M. L., & Maggs, J. L. (2009, May). *Identifying unique and shared person-level risk factors for alcohol use and gambling among college students*. Poster presented at the 17th Annual Meeting of the Society for Prevention Research: "Power of Relationships: Implications for Prevention Science," Washington, DC.
- Lai*, M. H., **Bray, B. C.**, Smith, E. A., Caldwell, L. L., Wegner, L., Flisher, A. J., ... Mathews, C. (2009, May). *Substance use and delinquency profiles among South African adolescents*. Poster presented at the 17th Annual Meeting of the Society for Prevention Research: "Power of Relationships: Implications for Prevention Science," Washington, DC.
- ***Collins, L. M., & **Bray, B. C.** (2008, October). *Workshop on statistical methods in drug abuse and health-related research: Introduction to latent class/latent transition analysis for research in drug use and problem behavior*. Workshop presented at the Center for Drug Abuse Research Translation (CDART), Center for Clinical and Translational Science of the University of Kentucky: Lexington, KY.
- *****Bray, B. C.** (2008, June). *Examining gambling and substance use: Applications of advanced latent class modeling techniques for cross-sectional and longitudinal data*. Paper presented at the 22nd National Conference on Problem Gambling: "Family and Community Issues," Long Beach, CA.
- Bray, B. C.**, Cleveland, M. J., Greenberg, M. T., & Feinberg, M. E. (2008, May). *Examining differences in patterns of alcohol, tobacco, marijuana, and other drug use by gambling behavior*. Poster presented at the 16th Annual Meeting of the Society for Prevention Research: "Context and Prevention Science," San Francisco, CA.
- *****Bray, B. C.** (2008, March). *A multidimensional latent variable approach to the measurement of gambling*. Paper presented at the 8th Annual Scientific Meeting of the American Academy of Health Behavior: "Addictions: From Cells to Societies," Oxnard, CA.
- Bray, B. C.**, Collins, L. M., White, H. R., & Pandina, R. J. (2008, March). *Identifying and predicting types of college-student gamblers*. Poster presented at the 8th Annual Scientific Meeting of the American Academy of Health Behavior: "Addictions: From Cells to Societies," Oxnard, CA.
- Palen*, L., Smith, E. A., Caldwell, L. L., **Bray, B. C.**, & Flisher, A. J. (2008, March). *Longitudinal patterns of cigarette use among South African high school students*. Poster presented at the Biennial Meeting of the Society for Research on Adolescence, Chicago, IL.
- Bray, B. C.**, Collins, L. M., White, H. R., & Pandina, R. J. (2007, November). *An alternative approach to identifying types of gamblers: Using latent class analysis to identify and predict high-risk college-student gamblers*. Poster presented at the 8th Annual Conference of the National Center for Responsible Gaming: "Responsible Gaming, Regulation and Recovery: Testing Conventional Wisdom," Las Vegas, NV.
- ****Bray, B. C.**, & Rhoades, B. L. (2007, May). *Modeling risky behaviors with latent class and latent transition analysis: New applications and innovative approaches*. Organized poster forum presented at the 15th Annual Meeting of the Society for Prevention Research: "Advancing Science-Based Prevention: Creating Real World Solutions," Washington, DC.
- Bray, B. C.**, Lanza, S. T., & Collins, L. M. (2007, May). *Modeling the longitudinal relation between adolescent smoking and drinking behavior*. Poster presented at the 15th Annual Meeting of the Society for Prevention Research: "Advancing Science-Based Prevention: Creating Real World Solutions," Washington, DC.
- Bray, B. C.**, & Ridenour, T. A. (2006, June). *Do predictors of late childhood substance use also predict gambling during late childhood? Implications for prevention*. Poster presented at the National Council on Problem Gambling 20th Annual Conference on Prevention, Research, and Treatment of Problem Gambling: "Addressing Gambling Problems in Underserved Populations," St. Paul, MN.
- ****Bray, B. C.** (2006, June). *Recent research on gambling from late childhood to adulthood: Implications for prevention*. Organized paper symposium presented at the 14th Annual

- Meeting of the Society for Prevention Research: "Applying Prevention Science to Reduce Health Disparities," San Antonio, TX.
- Bray, B. C.**, & Collins, L. M. (2006, June). *The structure of gambling behavior in adulthood*. Paper presented at the 14th Annual Meeting of the Society for Prevention Research: "Applying Prevention Science to Reduce Health Disparities," San Antonio, TX.
- Ridenour, T. A., & **Bray, B. C.** (2006, June). *Do correlates of preadolescent gambling resemble correlates of early substance use targeted in prevention programs?* Paper presented at the 14th Annual Meeting of the Society for Prevention Research: "Applying Prevention Science to Reduce Health Disparities," San Antonio, TX.
- Bray, B. C.**, & Collins, L. M. (2005, December). *Using latent class analysis to examine the structure of gambling behavior*. Poster presented at the 6th Annual Conference of the National Center for Responsible Gaming: "Finding Common Ground on Prevention, Treatment, and Policy," Las Vegas, NV.
- Bray, B. C.**, & Collins, L. M. (2005, May). *The relation between the waxing and waning of adolescent substance use and delinquency*. Poster presented at the 13th Annual Meeting of the Society for Prevention Research: "Prevention Science to Public Health: Promoting Well-Being in the Population," Washington, DC.
- Bray, B. C.**, Whyte, K. S., & Collins, L. M. (2005, May). *The methodological state of research on gambling among adolescents*. Poster presented at the 13th Annual Meeting of the Society for Prevention Research: "Prevention Science to Public Health: Promoting Well-Being in the Population," Washington, DC.
- Bray, B. C.**, Zimmerman, R. S., Lynam, D., & Murphy, S. A. (2003, June). *Assessing the total effect of time-varying predictors in prevention research*. Poster presented at the 11th Annual Meeting of the Society for Prevention Research: "Research to Policy," Washington, DC.
- *****Bray, B. C.**, Zimmerman, R. S., Lynam, D., & Murphy, S. A. (2003, April). *Assessing the total effect of time-varying predictors in prevention research*. Paper presented at the University of Michigan—Dearborn, Dearborn, MI.
- Wong, P., McAuslan, P., & **Bray, B. C.** (2000, August). *Survey of problem gambling in the Metropolitan Detroit Area, 2000*. Paper presented at the Joint Mathematical Association of America and Pi Mu Epsilon National Conference, Los Angeles, CA.

Presented Locally

- *****Bray, B. C.** (2020, December). *Open discussion about applying latent class models in your own work*. Workshop for the Center for Dissemination and Implementation Science, Department of Medicine, The University of Illinois at Chicago, Chicago, IL.
- *****Bray, B. C.** (2020, November). *Programming advanced latent class models in SAS, Mplus, and Latent GOLD*. Workshop for the Center for Dissemination and Implementation Science, Department of Medicine, The University of Illinois at Chicago, Chicago, IL.
- *****Bray, B. C.** (2020, October). *Latent class analysis with distal outcomes, including latent class moderation*. Workshop for the Center for Dissemination and Implementation Science, Department of Medicine, The University of Illinois at Chicago, Chicago, IL.
- *****Bray, B. C.** (2020, September). *Longitudinal extensions of latent class analysis, including latent transition analysis*. Workshop for the Center for Dissemination and Implementation Science, Department of Medicine, The University of Illinois at Chicago, Chicago, IL.
- *****Bray, B. C.** (2020, August). *Programming basic latent class models in SAS, Mplus, and Latent GOLD*. Workshop for the Center for Dissemination and Implementation Science, Department of Medicine, The University of Illinois at Chicago, Chicago, IL.
- *****Bray, B. C.** (2020, July). *Introduction to latent class and latent profile analysis*. Workshop for the Center for Dissemination and Implementation Science, Department of Medicine, The University of Illinois at Chicago, Chicago, IL.
- *****Bray, B. C.** (2019, September). *Advancing intervention science and promoting health equity using innovative quantitative methods*. Presentation for the Community and Prevention Research Brown Bag Series, Department of Psychology, The University of Illinois at Chicago, Chicago, IL.

- *****Bray, B. C.** (2018, October). *The cutting-edge of design and analysis: Penn State's Methodology Center*. Presentation for the Penn State College of Medicine Postdoc Society, Penn State Hershey, Hershey, PA.
- *****Bray, B. C.** (2018, September). *The cutting-edge of design and analysis: Penn State's Methodology Center*. Presentation for the Human Development and Family Studies All-Campus Meeting, Penn State, University Park, PA.
- *****Bray, B. C.** (2018, February). *New advances in latent class analysis from The Methodology Center at Penn State*. Paper presented at the CTSI BERD Seminar Series, Social Science Research Institute, Penn State, University Park, PA.
- Dziak, J. J., **Bray, B. C.**, Lanza, S. T. (2017, May). *Performance of multiple imputation for missing data in latent class analysis*. Poster presented at the Rao Prize Conference, Department of Statistics, Penn State, University Park, PA.
- ***Lanza, S. T., & **Bray, B. C.** (2016, April). *Introduction to latent class analysis for health behavior research*. Workshop presented at the Department of Public Health Sciences, Penn State Hershey College of Medicine, Hershey, PA.
- *****Bray, B. C.** (2016, March). *The cutting-edge of design and analysis: Penn State's Methodology Center*. Presentation for Penn State Data Day, PSU Libraries Data Learning Center, Penn State, University Park, PA.
- *****Bray, B. C.** (2016, March). *Center for Complex Data to Knowledge in Drug Abuse and HIV Behavioral Science: What is it that we do over there on that new 4th floor?* Presentation for Spring Seminar Series, Bennett Pierce Prevention Research Center, Penn State, University Park, PA.
- *****Bray, B. C.** (2015, November). *The cutting-edge of design and analysis: Penn State's Methodology Center*. Presentation for the Stat Club, Department of Statistics, Penn State, University Park, PA.
- *****Bray, B. C.** (2015, November). *The cutting-edge of design and analysis: Penn State's Methodology Center*. Presentation for CTSI Scholars, Social Science Research Institute, Penn State, University Park, PA.
- Bray, B. C.**, Dziak, J. J., & Lanza, S. T. (2015, April). *The good, the bad, and the ugly: What we know today about latent class analysis with distal outcomes*. Poster presented at the Annual Joint Seminar of The Methodology Center and Prevention Research Center, Penn State, University Park, PA.
- Bray, B. C.**, Dziak, J. J., & Lanza, S. T. (2015, March). *The good, the bad, and the ugly: What we know today about latent class analysis with distal outcomes*. Poster presented at the College of Health and Human Development Annual Research Forum, Penn State, University Park, PA.
- *****Bray, B. C.** (2015, February). *The cutting-edge of design and analysis: Penn State's Methodology Center*. Presentation for the Stat Club, Department of Statistics, Penn State, University Park, PA.
- *****Bray, B. C.** (2015, January). *The cutting-edge of design and analysis: Penn State's Methodology Center*. Presentation for the Industrial/Organizational Psychology Program, Department of Psychology, Penn State, University Park, PA.
- Halliburton*, A. E., **Bray, B. C.**, & Ridenour, T. A. (2012, May). *Testing the validity of the anticipated DSM-5 inhalant use disorder diagnosis: An item response theory analysis*. Paper presented at the annual meeting of the Virginia Academy of Science, Norfolk, VA.
- *****Bray, B. C.** (2010, February). *Modeling relations among discrete developmental processes: A general approach to associative latent transition analysis*. Paper presented at the Department of Statistics Research Colloquium Series, Virginia Polytechnic Institute and State University, Blacksburg, VA.
- *****Bray, B. C.** (2008, September). *A multidimensional latent variable approach to the measurement of gambling*. Paper presented at the Department of Biobehavioral Health Research Colloquium Series, The Pennsylvania State University, University Park, PA.
- *****Bray, B. C.** (2006, February). *Rambling, gambling Willie: What Bob Dylan left out about pathological gambling*. Paper presented at the Centre County Correctional Facility, Bellefonte, PA.

- *****Bray, B. C.**, & Collins, L. M. (2005, February). *Modeling the development of substance use and delinquency simultaneously: An associative latent transition analysis example*. Paper presented at The Methodology Center, The Pennsylvania State University, University Park, PA.
- Lemmon, D. R., & **Bray, B. C.** (2005, February). *Parallelization strategies for a statistical model of adolescent development*. Poster presented at Penn State Computation Day, University Park, PA.

Technology Demonstrations

- (under review) **Bray, B. C.**, & Weaver, C. (2021, May). *A new, comprehensive, online resource for latent class modeling in SAS, Mplus, and Latent GOLD: The IMIDA lab website and code repository*. Technology demonstration presented at the Society for Prevention Research 29th Annual Meeting: "Addressing Racism and Disparities when Considering Biology and Context," Washington, DC.
- Wagner, A. T., Dziak, J. J., Huang, L., Singh, K., & **Bray, B. C.** (2020, May). *Online resources and software available through the Penn State Methodology Center*. Technology demonstration presented at the Society for Prevention Research 28th Annual Meeting: "Why Context Matters: Towards a Place-Based Prevention Science," Washington, DC. [parts of conference cancelled due to COVID-19]
- Wagner, A. T., Dziak, J. J., Huang, L., Connolly, P. H., & **Bray, B. C.** (2019, May). *Software, instructional materials, videos, and other resources from The Methodology Center at Penn State*. Technology demonstration presented at the Society for Prevention Research 27th Annual Meeting: "Prevention Science in a Big Data World," San Francisco, CA.
- Wagner, A. T., Connolly, P. H., Dziak, J. J., Huang, L., & **Bray, B. C.** (2018, May). *Online methodological resources and software from the Penn State Methodology Center*. Technology demonstration presented at the Society for Prevention Research 26th Annual Meeting: "Optimizing the Relevance of Prevention Science to Systems," Washington, DC.
- Dziak, J. J., **Bray, B. C.**, Huang, L., & Wagner, A. T. (2017, May). *Free design and analysis software for use with R and SAS from the Penn State Methodology Center*. Technology demonstration presented at the Society for Prevention Research 25th Annual Meeting: "Prevention and Public Systems of Care: Research, Policy and Practice," Washington, DC.
- Dziak, J. J., **Bray, B. C.**, Huang, L., Wagner, A. T., & Lanza, S. T. (2016, May). *Free software for data analysis and experimental design from the Penn State Methodology Center*. Technology demonstration presented at the Society for Prevention Research 24th Annual Meeting: "Using Prevention Science to Promote Health Equity and Improve Well-Being," San Francisco, CA.
- Bray, B. C.**, Dziak, J. J., Huang, L., Wagner, A. T., & Lanza, S. T. (2015, May). *New online resources and software tools for analysis and design from the Penn State Methodology Center*. Technology demonstration presented at the Society for Prevention Research 23rd Annual Meeting: "Integrating Prevention Science and Public Policy," Washington, DC.
- Bray, B. C.**, Dziak, J. J., Huang, L., Wagner, A. T., & Lanza, S. T. (2014, May). *Innovative software for prevention scientists: SAS, R, and STATA tools for analysis and experimental design*. Technology demonstration presented at the Society for Prevention Research 22nd Annual Meeting: "Comprehensive and Coordinated Prevention Systems: Building Partnerships and Transcending Boundaries," Washington, DC.
- Bray, B. C.**, Huang, L., Yang, J., Dziak, J. J., Lanza, S. T., & Wagner, A. T. (2013, May). *New SAS, R, and Stata software for prevention scientists: Tools for LCA, missing data, adaptive interventions, and EMA data*. Technology demonstration presented at the Society for Prevention Research 21st Annual Meeting: "The Science of Prevention: Building a Comprehensive National Strategy for Well-Being," San Francisco, CA.
- Lemmon, D. R., **Bray, B. C.**, Lanza, S. T., & Dziak, J. J. (2008, May). *New developments in SAS procedures for prevention research*. Technology demonstration presented at the 16th Annual Meeting of the Society for Prevention Research: "Context and Prevention Science," San Francisco, CA.

- Lemmon, D. R., **Bray, B. C.**, Lanza, S. T., & Chung, H. (2007, May). *PROC LTA: A SAS procedure for latent transition analysis*. Technology demonstration presented at the 15th Annual Meeting of the Society for Prevention Research: "Advancing Science-Based Prevention: Creating Real World Solutions," Washington, DC.
- *****Bray, B. C.** (2006, Summer). *An introduction to programming in SAS*. The Pennsylvania State University: University Park, PA.

Teaching

Graduate Courses – Required/Recommended

Measurement in Human Development (HDFS 526, Graduate)
Department: Human Development and Family Studies (Penn State)
Instructor (Fall 2018: rating 6.3/7.0)

Psychometric Theory (PSYC 5134, Graduate)
Department: Psychology (Virginia Tech)
Instructor (Spring 2012: 4.9/5.0, Spring 2011: rating 3.0/4.0)

Research Methods (PSYC 5315, Graduate)
Department: Psychology (Virginia Tech)
Instructor (Fall 2011: rating 3.9/4.0, Fall 2010: rating 4.0/4.0, Fall 2009: rating 3.1/4.0)

Graduate Applied Statistics Lab (Graduate)
Department: Human Development and Family Studies (Penn State)
Instructor (Fall 2005: rating: 6.8/7.0)

Graduate Courses – Special Topics

Advanced Topics in Latent Class Analysis (Graduate)
Department: Human Development and Family Studies (Penn State)
Instructor (Fall 2018: 6.8/7.0, Fall 2015: rating 6.7/7.0)

An Introduction to Latent Class and Latent Profile Analysis (Graduate)
Department: Human Development and Family Studies (Penn State)

Instructor (Fall 2017: 6.9/7.0, Fall 2014: rating 6.9/7.0)
 Latent Class Analysis for Cross-sectional and Repeated Measures Data (Graduate)
 Department: Human Development and Family Studies (Penn State)
 Course Assistant (2009, 2007)
 Instructor (Fall 2012: rating 6.5/7.0)
 Applied Categorical Data Analysis (PSYC 6014, Graduate)
 Department: Psychology (Virginia Tech)
 Instructor (Fall 2011: rating 3.9/4.0)

Undergraduate Courses

Principles of Psychological Research (PSYC 2094, Undergraduate)
 Department: Psychology (Virginia Tech)
 Instructor (Fall 2010: rating 3.7/4.0, Spring 2010: rating 4.0/4.0)
 Introduction to Statistics and Data Analysis (Undergraduate)
 Department: Statistics (The University of Michigan)
 Laboratory Course Instructor (2001)

Guest Lectures

Finite Mixture Modeling in Prevention Science
 Department: Human Development, Washington State University
 Guest Lectures on Grouping Variables vs. Covariates in Latent Class Analysis and on Latent Transition Analysis (2020)
 Human Decision Making
 Department: Penn State College of Medicine, Penn State Hershey
 Guest Lecture on Research on Probability and Risk (2017)
 Social Data Analytics: Approaches and Issues
 Department: Political Science, Penn State University Park
 Guest Lecturer on Latent Class and Latent Transition Analysis (2016)
 Methods of Research in Human Development
 Department: Human Development and Family Studies, Penn State University Park
 Guest Lecturer on Sampling Designs (2008, 2006, 2005)
 Casino Operations Management
 Department: Hotel, Restaurant, and Institutional Management, Penn State University Park
 Guest Lecturer on Research on Gambling and Problem Gambling (2008)
 Criminology
 Department: Sociology and Crime, Law and Justice, Penn State University Park
 Guest Lecturer on Research on Gambling and Problem Gambling (2007, 2006)
 Sociology of Deviance
 Department: Sociology and Crime, Law, and Justice, Penn State University Park
 Guest Lecturer on Research on Gambling and Problem Gambling (2007)

Advising

Graduate faculty: UIC Department of Medicine, 2019-present
 Graduate faculty: Penn State Department of Human Development and Family Studies, 2013-2020
 Graduate faculty: Virginia Tech Department of Psychology, 2009-2013

Master's Thesis Committee Chair or Co-Chair

Amanda Halliburton (2013, Psychology, Virginia Tech)
 "Adolescent inhalant use in the United States: Examining long-term trends and evaluating the applicability of self-determination theory"

Master's Thesis Committee Member

Patrick Coyle (2012, Psychology, Virginia Tech)

Neville Galloway-Williams (2010, Psychology, Virginia Tech)
Thorhildur Halldorsdottir (2011, Psychology, Virginia Tech)
Nicole Kreiser (2011, Psychology, Virginia Tech)
Ashley McDonald (2017, Psychology, Penn State)
Brenna Maddox (2012, Psychology, Virginia Tech)
Scott Moshier (2011, Psychology, Virginia Tech)
Amie Schry (2011, Psychology, Virginia Tech)

Preliminary/Comprehensive Examination Committee Member

Anuradha Anantharaman (2018, Psychology, Penn State)
Patrick Coyle (2013, Psychology, Virginia Tech)
Neville Galloway-Williams (2012, Psychology, Virginia Tech)
Jennifer Glayzer (2020, Nursing, UIC)
Eric Layland (2019, Human Development & Family Studies, Penn State)
Emily LoBraico (2019, Human Development & Family Studies, Penn State)
Megan Maas (2015, Human Development & Family Studies, Penn State)
Amy Neal (2011, Psychology, Virginia Tech)
Sarah Perzow (2017, Psychology, Penn State)
Jessica Salas-Brooks (2016, Biobehavioral Health, Penn State)
Amie Schry (2011, Psychology, Virginia Tech)
Ryan Smith (2012, Psychology, Virginia Tech)
Christina Temes (2014, Psychology, Penn State)
Nicole Thompson (2011, Psychology, Virginia Tech)
Jessica Versele (2010, Psychology, Virginia Tech)

Doctoral Dissertation Committee Chair or Co-Chair

Eric Layland (2020, Human Development & Family Studies, Penn State)
Leveraging latent class modeling at the intersection of racism and homonegativism: Identifying subgroups of Black and Latino sexual minority young men and links with substance use
Sarah Perzow (2018, Psychology, Penn State)
Individual differences in adolescent coping

Doctoral Dissertation Committee Member

Lisa Boyd (2016, Sociology and Criminology, Penn State)
Patrick Coyle (2015, Psychology, Virginia Tech)
Nicole Constance (2017, Human Development & Family Studies, Penn State)
Jennifer Glayzer (ongoing, Nursing, UIC)
Celina Joos (2019, Psychology, Penn State)
Bo-Ram Kim (2014, Human Development & Family Studies, Penn State)
Emily LoBraico (2021, Human Development & Family Studies, Penn State)
Megan Maas (2016, Human Development & Family Studies, Penn State)
Cara Pugliese (2012, Psychology, Virginia Tech)
Christina Temes (2017, Psychology, Penn State)
Mark Scott (2011, Psychology, Virginia Tech)
Zvi Shapiro (2020, Psychology, Penn State)
Cynthia Willner (2016, Human Development & Family Studies, Penn State)
Mengya Xia (2019, Human Development & Family Studies, Penn State)

Prevention and Methodology Training (PAMT) Program Methodology Mentor

Scott Graupensperger (2018, predoctoral, Penn State)
Emily LoBraico (2017-2019, predoctoral, Penn State)
Sarah Perzow (2015-2017, predoctoral, Penn State)
Peter Rivera (2016-2017, postdoctoral, Penn State)

Emily Simpson (2019-2021, postdoctoral, Penn State)
Mengya Xia (2016-2018, predoctoral, Penn State)
Bridget Weymouth (2016-2018, postdoctoral, Penn State)

The Methodology Center Graduate Students

Eric Layland (2018-2020, Human Development & Family Studies, Penn State)
Sarah Perzow (2017-2018, Psychology, Penn State)

Graduate Minor in Quantitative Methods

Anuradha Anantharaman (2019, Psychology, Penn State)

Center for Dissemination and Implementation Science Postdocs

Nyssa Snow-Hill (ongoing, UIC)

Clinical Psychology Interns

Jessica Fitts (2020-2021, UIC)
Loretta Hsueh (2019-2020, UIC)

Visiting International Students

Cinthia Hiroko Higuchi (Escola Paulista de Medicina da Universidade Federal de São Paulo, 4/3/2017-10/2/2017)
Claire Mawditt (University College London, 5/1/2016-7/31/2016)
Aoife O'Neill (University of Limerick, 4/28/2018-5/12/2018)
Jieting "Jenny" Zhang (South China Normal University, 9/1/2012-12/31/2013)

Society for Prevention Research Sloboda and Bukoski Cup Competition Team Advisor

Boone, M., Griffin, A., & Li, A. (2015). Time-varying effects of health behaviors on cardio-metabolic outcomes in older Mexican adults.

National Institutes of Health F31 Co-Sponsor

Jennifer Glayzer F31 NR019529, Characterization of vulvodynia and Ehlers-Danlos Syndrome (EDS) pain in women, 05/01/2021-12/31/2023
Emily LoBraico: F31 DA048522, Understanding for whom family-based substance use prevention programs work best: A person-centered approach, 08/01/2019-07/31/2021

National Institutes of Health K01 Advisor

Jody Vogel: K08 HS023901, Improving the Quality of Patient Care and Outcomes for Frequent Emergency Department Visitors, 01/04/2015-31/03/2020

Bray, B. C. (2015, May). *The Prevention and Methodology Training Program (PAMT) at Penn State.* Visit to the National Institute on Drug Abuse (NIDA) with PAMT trainees, Bethesda, MD.
Bray, B. C. (2015, April). *The Prevention and Methodology Training Program (PAMT) at Penn State.* Visit to the National Institute on Drug Abuse (NIDA) for the NIDA Diversity Supplements Workshop, Bethesda, MD.

Service to National Professional Organizations

- 2020 Co-Chair, Program Thematic Sub-Committee: Increasing Health Equity and Strengthening Resilience, Society for Prevention Research Annual Meeting
- 2019 Moderator, Paper Symposium, National Center for Responsible Gaming Annual Conference: Ortiz, V., Perrotte, J., Rinker, D., & **Bray, B. C.** (2019, October). *Health Disparities and Minorities in Gambling and Addiction*. Paper symposium presented at the 20th Annual National Center for Responsible Gaming Conference on Gambling and Addiction, Las Vegas, NV.
- 2019-2021 Member, Communications Committee, Society for Prevention Research
- 2019-2020 Member, Code of Conduct Committee, Society for Prevention Research
- 2019 Co-Coordinator, Grouped Paper Sessions Review, Program Thematic Sub-Committee: Development and Testing of Interventions, Society for Prevention Research Annual Meeting
- 2018-2020 Member/Faculty Mentor for Student Review, Abstract Review Committee, Society for Prevention Research Annual Meeting
- 2018-2021 Member (elected), Board of Directors, Society for Prevention Research
- 2018-2021 Member, Planning Committee, Society for Prevention Research Annual Meeting
- 2018-2021 Lead Member, Methods Subcommittee, Task Force: Prevention Science's Role in Reducing Disparities and Promoting Equity, Society for Prevention Research
- 2017-2021 Member, Task Force: Prevention Science's Role in Reducing Disparities and Promoting Equity, Society for Prevention Research
- 2017-2019 Lead Member, Mentorship/Fellowship Subcommittee, Training Committee, Society for Prevention Research
- 2017-2019 Member, Strategic Planning Subcommittee, Training Committee, Society for Prevention Research
- 2017-2021 Member, Training Committee, Society for Prevention Research
- 2017 Judge, 11th Annual SPR Sloboda and Bukoski Cup Competition, Society for Prevention Research Annual Meeting
- 2016 Judge, 10th Annual SPR Sloboda and Bukoski Cup Competition, Society for Prevention Research Annual Meeting
- 2015 Moderator, Pre-Conference Workshop, National Center for Responsible Gaming Conference: Gros, R., & Stutz, H. (2015, September). *Workshop for Researchers – Working with the Media*. Pre-conference workshop presented at the 16th Annual National Center for Responsible Gaming Conference on Gambling and Addiction, Las Vegas, NV.
- 2011- Member, Conference Planning Board, National Center for Responsible Gaming
- 2011-2015, Member, Poster Award Committee, National Center for Responsible Gaming
- 2019
- 2009-2012 Member, Annual Meeting Program Subcommittee, Early Career Preventionists Network Steering Committee, Society for Prevention Research
- 2009-2012 Member, Membership Subcommittee, Early Career Preventionists Network Steering Committee, Society for Prevention Research
- 2009-2012 Member, Newsletter Subcommittee, Early Career Preventionists Network Steering Committee, Society for Prevention Research
- 2008-2010 Member, Research Review Committee, American Academy of Health Behavior Annual Meeting
- 2007-2011 Member, Program Thematic Sub-Committee: Innovative Methods, Society for Prevention Research Annual Meeting
- 2006-2010 Member, Abstract Review Committee, Society for Prevention Research Annual Meeting

Service to UIC

- 2020- Faculty Mentor for Monte Staton, College of Medicine
- 2020 Member, Faculty Search Committee, Center for Dissemination and Implementation Science
- 2019- Member, Navigating Allyship Educational Group, Gender and Sexuality Center

Service to Penn State

- 2018-2019 Member, Executive Committee, The Penn State Consortium to Combat Substance Abuse
- 2018-2019 Member (elected), Non-Tenure Line Promotion Review College Committee, College of Health and Human Development
- 2017 Panel Member, Discussion on Research in Health and Human Development at Penn State, Health and Human Development Honor Society
- 2017-2019 Member, LGBTQA Safe Zone Program, LGBTQA Student Resource Center, Student Affairs
- 2017-2018 Executive Committee Member, Research Computing and Cyberinfrastructure Governance (appointed by Dr. Neil Sharkey, Vice President for Research)
- 2017-2019 Co-Chair/Member, Research Computing and Cyberinfrastructure Governance Communications and Onboarding working group
- 2016-2017 Member, Office of the Vice President for Information Technology (OVPIT) Search Committee for Assistant Senior Director, Enterprise Infrastructure
- 2016-2017 Member, Research Cyberinfrastructure working group "Communications and Onboarding"
- 2015 *****Bray, B. C.** (2015, November). *Grant writing in the social, behavioral, and health sciences*. Discussion hosted at the Center for Teaching Initiatives, Penn State Erie, the Behrend College.
- 2015-2016 Member, Research Cyberinfrastructure working group "Data, Data Governance, Data Preservation, Data Dissemination, Data Security, Managing the Scientific Data Life-Cycle"
- 2005-2006 Graduate Student Representative, Developmental Methodology Faculty Search Committee, Department of Human Development and Family Studies
- 2004-2005 Co-Chair, Graduate Student Steering Committee, Department of Human Development and Family Studies
- 2003-2004 Community Outreach Representative, Graduate Student Steering Committee, Department of Human Development and Family Studies
- 2002-2003 Graduate Student Association Representative, Graduate Student Steering Committee, Department of Human Development and Family Studies

Service to Virginia Tech

- 2011-2013 Member, LGBTQA Safe Zone Program, Community and Cultural Centers, Student Affairs
- 2011 Faculty Guest Speaker, Psychology Club/Psi Chi Meeting
- 2010-2012 Proposal Reviewer, Graduate Research Development Program (GRDP) Student Grant Program
- 2010-2011 Application Review Committee Member, Departmental Council of Graduate Departments of Psychology (COGDOP)
- 2009 Faculty Representative, Psi Xi Graduate School Panel

Consulting

- 2020- Center for Coordination of Analytics, Science, Enhancement, and Logistics (CASEL) in Tobacco Regulatory Science, Westat, Jeanne Rosenthal and Robin Mermelstein (U54-DA-046060; innovative quantitative methods)
- 2020- Department of Human Development and Family Science, Falk College, Syracuse University, Sara Vasilenko (R03-HD-096101; latent class modeling, time-varying effect modeling)
- 2020- Internal Medicine, Atrium Health, Stephanie Taylor (R21-LM-013373; latent class and latent profile modeling)

- 2019- Helping to End Addiction Long-term (HEAL) Prevention Coordinating Center, Research Triangle Institute, Phillip Graham (U24-DA-050182; innovative quantitative methods)
- 2017-2019 Center for Coordination of Analytics, Science, Enhancement, and Logistics (CASEL) in Tobacco Regulatory Science, Westat, Howard Fishbein (latent class and latent transition modeling)
- 2016-2018 Center for Health Research, Kaiser Permanente, Stephanie Fitzpatrick (latent class modeling)
- 2016-2017 Department of Medicine, The University of Chicago, Megan Huisingh-Scheetz (latent class modeling)
- 2015-2017 Dana-Farber Cancer Institute, Center for Community Based Research and Harvard T. H. Chan School of Public Health, Department of Social and Behavioral Sciences, Reginald Tucker-Seeley (latent class modeling)
- 2014-2018 External Advisory Steering Committee, Program Evaluation for Prevention (PEP-C) Contract from the Center for Substance Abuse Prevention (CSAP) in the Substance Abuse Mental Health Services Administration (SAMHSA), RTI International, Phillip Graham (innovative quantitative methods)
- 2014-2015 Neurobehavioral Research Laboratory and Clinic, University of Texas Health Science Center, Donald Dougherty (growth curve modeling)
- 2012-2014 Department of Epidemiology, Mailman School of Public Health, Columbia University, Silvia Martins (latent transition modeling)
- 2010-2011 Department of Mental Health, Bloomberg School of Public Health, Johns Hopkins University, Silvia Martins (latent transition modeling)
- 2008-2009 Department of Epidemiology and Community Health, University of Minnesota, Melissa Nelson Laska (latent class modeling)

Service to Others

- 2020 Member, Data Safety Monitoring Board, *PrEP2Prevent* (R34-DA-050531), MPIs: Michele Kipke and Lisa Hightow-Weidman
- 2015 *****Bray, B. C.** (2015, April). *Emerging scholars meeting: Answering your questions about my career*. Discussion hosted at the Methodology, Analytics, & Psychometrics (MAP) Academy Emerging Scholar Series, University of Nebraska – Lincoln, Lincoln, NE.
- 2005-2009 Help Desk Director, The Methodology Center (internationally available help and collaboration on latent class modeling techniques and software distributed by The Methodology Center at Penn State)
